

CIRCUMSTANCES FOR REMOVAL OF LIMITATION

The limitation is valid on the property as long as the property is not improved, transferred, or sold.

- If title is transferred, changed, or conveyed to another person, the senior valuation limitation will expire. The assessor is then required to value the property at its fair market value.
- Improvements to the property, such as a room addition, will be assessed at the fair cash value and will be added to the value of the property established under the limitation. The new total value is capped as long as limitation requirements are met.

Physical additions or changes which constitute normal repairs or minor remodeling, minor efficiency improvements, or retrofit improvements, such as wheelchair ramps are not considered physical improvements affecting the senior valuation limitation.

If gross household income from all sources, except gifts, exceeds the applicable median income amount set by H.U.D., the limitation shall expire. The value of the property is then subject to the 3 percent cap increase for that year.

(Reference 68 O.S. § 2888, 2893 and applicable Attorney General Opinions.)

THE APPLICATION PROCESS

The property owner must apply at the county assessor's office by completing Form OTC 994, Application for Property Valuation Limitation and Additional Homestead Exemption. The form must be completed in its entirety regarding:

- *Income*
Gross household income from all sources, except gifts, for all persons residing in the home.
- *Age*
The year **after** the property owner turns 65 is the first year of eligibility.
- *Ownership*
Proof of ownership shall be required.
- *Other information*
As may be required by the assessor to document claim for the freeze.

The application must be made between January 1 and March 15. If approved, the limitation will take effect for the taxable year in which the application is made.

If the application is denied, the property owner has the right to appeal to the County Board of Equalization.

SPECIAL NOTICE

The senior limitation locks in valuation, but the tax amount owed on the homestead could increase under these specific situations.

1. Additional millage or levy is added.
2. Judgment against county.
3. Voters modify assessment percentages.

The Senior Valuation Limitation may be granted in addition to participation in the Property Tax Refund and the Additional Homestead Exemption programs.

If previously qualified for the limitation on the fair cash value of homestead property, no annual application is required.
(68 O.S., § 2890.1(B))

However, if the qualifying senior ceases to own and occupy the homestead or gross household income exceeds the amount determined by H.U.D., in any year, the person shall notify the county assessor and the limitation shall not be allowed for the applicable year.
